Topics: Tracking Trains, Sorting Cards

Approach: Here are Problems, Design Procedures

Main Ideas:

1. Admin
   - HW4 Due on Wednesday evening
   - Exam1 next week: lab and Wed (review packet soon)

2. Unix as a Set of Tools
   - The data
   - The questions
   - The tools
   - Writing pipelines
   - Writing scripts

3. Sorting Cards
   - The problem
   - Three teams
   - Sort your cards
   - Merge your decks
   - Discuss your techniques
