This document describes what we expect from you and what you can expect from us. Sign it in blood.

I, \_\_\_\_\_,  
hereby acknowledge that I have read the course's [Frequently Asked Questions](#)  
from the Web, and I agree to

1. Read the required text book every day according to the [reading guide](#);
2. Work through at least one exercise per day, either from a section I am reading or from a section I have chosen where I need to improve;
3. Visit the course Piazza page once a day no matter where I am;
4. See my professor within 24 hours after I have failed a *second* quiz.

In return, I have the right to request an individual appointment via Piazza and to be seen within 24 hours (48 hours on weekends) so that I can ask questions and discuss the material.
